

# I Got That Fire (feat. Mannie Fresh)

## Juvenile

[Juvenile]

You need a nigga that stay sharp, always got money  
Pockets stay full of them big-face hundreds  
A nigga with tattoos all over his arm  
A nigga with a gold grill, diamonds in his charm  
A nigga that'll tell your girl, "Fuck that nigga!"  
Your givin' me tha pussy, you don't love that nigga  
You need a nigga that'll put you in your place  
Put that dick on ya at anytime of tha day  
A nigga that'll give ya a lil' somethin' if it's right  
A nigga that you may not see for three or four nights  
A nigga standin' tall like tha Statue of Liberty  
A nigga on fire like a match and a cigarette  
A nigga that'll take care of his kids if it's his  
A nigga that's a handsome lil' son of a bitch  
A nigga like.. me.. never get tired  
You lookin' for a Hot Boy, girl, I got that fire(Chorus4x [Juvenile])  
Shit, I got that fire  
I got that fire  
Girl, holla at a nigga if you want that Oscar Meyer[Juvenile]  
Some old ghetto-face, blue-hair, funny-ass lookin' bitch  
Was tryin' ta holla at a nigga... talkin' some bullshit  
I told her, "If ya fuck everybody it's all gravy."  
She didn't say nothin', she stood there lookin' at me crazy  
Then she got mad, and called me bitches and motherfuckers  
I waited 'til I got by the door, reached back and stuck her  
She did what any bitch woulda did, and got the law for me  
Talkin' 'bout gonna press charges and get her pa for me  
I told him, "When I get outta jail, I'ma beat ya awfully  
and open up fire at your pa to back him up off of me."  
All she wanted to do was scream out "Juvie"  
While I hit her from tha back and smack her on tha booty  
Bite tha titties, get tha head, break tha bed  
Pull off tha rubber and bust a nut on her leg  
Some of these hoes be tellin' me," I'm just an admirer."  
I don't want to fuck ya; shit, I got that fire(Chorus [Juvenile])  
Shit, I got that fire  
Shit, I got that fire  
Girl, holla at a nigga if you want that Oscar Meyer

Shit, I got that fire  
I got that fire  
Girl, holla at a nigga if you want that Oscar Meyer  
Shit, I got that fire  
I got that fire  
Girl, holla at a nigga if you want that Oscar Meyer  
Shit, I got that fire  
I got that fire  
Girl, holla at a nigga if you want that Oscar Meyer[Mannie Fresh]  
Baby baby baby  
Look, baby girl: work it, just don't quit  
See I love it when you young ass shake them tits  
You lil' vibrant thang  
You like Burger King?  
Well you can go in and swing on tha Whopper Ding-a-ling  
You make me really lump up in tha pants  
Every time I see your sexy ass do that dance  
And you can tell your friends you know a  
Nigga with a dick like a great big cobra  
We can bang bang bang all night long  
Knock your head against tha bed 'til tha inside's gone  
When ya see your sister, tell her, "It's alright."  
She still make my dick BOOM like dynamite  
Tell her Tiger Woods... but I won't  
Eat no pussy... 'cause I don't  
You want to nigga that'll fuck ya in tha park in tha grass  
You want to nigga that'll stick a big stick in your ass  
That fire!(Chorus [Juvenile])  
I got that fire  
Shit, I got that fire  
Girl, holla at a nigga if you want that Oscar Meyer
