Kash Pleen - Rave

{Verse 1:Kash pleen}
Ayo!
Blow up my high blow out yo eye,
When they see me walking they all start to hide,
Nigga live yo life what u tryna buy,
Pull up with my ride park it to the side,
Diamonds shining on me like Green lanterns light,
Yo babe left u cause u got no life,
She came to my rave and she caught my eye,
Always on the grind hoe we on the grind,
She said that she liked the taste of my vibe,
We gon light it up we gon party in the sky,
Mrs Molly by my side, mr weed got in my eye,
We'll take to the grave
Money in the air make some other nigga cry,
Alone in the night i could never see stars,
Shout out to my guys yea we came from far,
Amma look alive and amma blow yo mind,
Ice on my neck i be running with the racks,
Hit them parties amma sign some cheques,
Got my rave in this distress, Machika all night no rest,
We gon switch we gon fit, we gon fix, she a big fish,
Pennywise aint scaring us no more,we gon party till the dawn,
No sleep from dusk till dawn, all my life ive never shone
I swear ive never been so close, All these lights am not sure,
What u see aint what u know, what u know don't do it for show,
The party must always go on,

{Pre-Hook:Kash Pleen}
All my life my dreams been frozen,
All these money feels like am chosen,
We party till morning cake by the ocean,
Please don't act like you don know me

{Chorus:Kash Pleen}
I got money in the safe yea yea
Spent a milli on a rave yea yea

We'll party till we die yea yea
Untill we in the grave yea yea

{Verse 2:Kash Pleen}
Ha!!
Untill we in the grave yea

All these people now they just lazy, get yo game face on,
We always got two phones, one for home and one for the road,
Movin too fast you moving too slow,
Raving yea all night long,
Tell yo sis i said hello,to be honest have you heard this before
Ayy ayy not the fame, ayy ayy why so serious,

To the life we all borrowed,
We tryn to live like there's no tomorrow
