

# Here Comes The Sun

[Sheryl Crow](#)

Here comes the sun, doot in doo doo  
Here comes the sun and I say it's all right  
Little darling, it's been a long cold lonely winter  
Little darling, it feels like years since it's been here  
Here comes the sun, doot in doo doo  
Here comes the sun and I say it's all right  
Little darling, the smile's returning to the faces  
Little darling, it seems like years since it's been here  
Here comes the sun, here comes the sun and I say it's all right  
Sun, sun, sun, here it comes

Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes  
Little darling, I feel that ice is slowly melting  
Little darling, it seems like years since it's been clear  
Here comes the sun, doot in doo doo  
Here comes the sun and I say it's all right  
Here comes the sun, doot in doo doo  
Here comes the sun and I say it's all right, it's all right
