

# Spotlight

## Selena Gomez & The Scene

I can tell by the way that you feel  
Something ain't going your way  
Jeans too tight and your hair ain't right  
We all get some of those days  
Oh, throw that mirror away  
Oh, you know it's gonna be okay Take it down, shake it out  
On the floor, you'll get out of it  
Let it drop, make it stop, oh When you feel like nothing  
Everybody's something  
You and your friend  
Everybody jump in  
Look at us now  
Everybody shout out  
Oh, in the spotlight  
No matter what you're outside  
Get it what you're inside  
Open your eyes  
You deserve a spotlight  
Look at us now  
Everybody's something Oh, oh, in the spotlight  
Oh, in the spotlight  
Oh, in the spotlight  
Oh, in the spotlight I got all an "uh oh" on my face  
I wish I could press delete  
We all got something we don't like  
Even Angelina Jolie  
Oh, throw that mirror away  
Oh, don't be going M I A Take it down, shake it out  
On the floor, you'll get out of it  
Let it drop, make it stop, oh When you feel like nothing  
Everybody's something  
You and your friend  
Everybody jump in  
Look at us now  
Everybody shout out  
Oh, in the spotlight  
No matter what you're outside  
Get it what you're inside  
Open your eyes

You deserve a spotlight  
Look at us now  
Everybody's something Oh, oh, in the spotlight  
Oh, in the spotlight  
Oh, in the spotlight  
Oh, in the spotlight I can tell by the way you talk the talk  
That something ain't going your way cause  
Your jeans too tight and your hair ain't right  
Well, we all get some of those days just  
Take another deep breath, try to hit your reset  
You know that I can relate, throw your  
Hands in the air now, let me hear you shout  
Well get out of my way Take it down, shake it out  
On the floor, you'll get out of it  
Let it drop, make it stop, oh When you feel like nothing  
Everybody's something  
You and your friend  
Everybody jump in  
Look at us now  
Everybody shout out  
Oh, in the spotlight  
No matter what you're outside  
Get it what you're inside  
Open your eyes  
You deserve a spotlight  
Look at us now  
Everybody's something Oh, oh, in the spotlight  
Oh, in the spotlight  
Oh, in the spotlight  
Oh, in the spotlight
