I Feel Insane

Daisy Chainsaw

My skin is itching, all I can do is scratch
They keep on niggling, maybe I'm insane'Cause I refuse it, they nearly got me down
They're shaking their heads, they feel that I'm insaneAnd does it matter who is right or wrong?
I look for something before I go insaneTo be like they say, I lose my something grin
And then I'll know what it is to be insaneI'm getting fucking older but still I'm hanging on
The world gets weirder or maybe I'm insane
