

# Dick

## Guano Apes

Don't say a word  
Your love is like a symphony  
Brave as you dare  
It's nothing but your game  
I'll take off your shoes  
To pull you up in extasy  
Hide and to lose  
That's why I'll force you to  
Move back a step (step)  
Go back a step  
Comon' you shout  
(3x)  
Move back a step (step)  
Move your head like that  
Dick!!!!!!!!!! oh dick!!!!!!!!!!  
Gotta go

Dick!!!!!!!!!! yeah yeah come!  
Now it's time to live your fantasies  
(yeah yeah)  
And you know we have a new concept  
To turn the kind of lust in penalty  
Just look what I do  
Move back a step (step)  
Go back a step  
Comon' you shout  
(3x)  
Move back a step (step)  
Move your head like that  
Dick!!!!!!!!!! oh dick!!!!!!!!!!  
Gotta go  
Dick!!!!!!!!!! yeah yeah come!
