Another Day

Kate Ryan

You can't imagine
How it is so true
That we all need somebody
Someone like youBut lately I've been feelin'
So confused
I'm not thinkin' about tomorrow
Or what the heck I'm gonna do'Cause I still love you
You know that it's true
Yeah, I still love you
I believe we'll make it throughAnother day in paradise
Where dreams are made
And worlds collide
Another day in paradise
Forever lost in timeAnother day in paradise
We're not afraid
We don't think twice
Let's put the rest out of our minds
And leave it for another dayAnother day
Another day
Another dayI need a lover
I need a friend
Yeah, we all need a lot of things
I know we should have saidBut in a moment
Life can fall away
And that's why I keep believin'
There will be another way'Cause I still love you
You know that it's true
Yeah, I still love you
'Cause I believe we'll make it throughAnother day in paradise
Where dreams are made
And worlds collide
Another day in paradise
Forever lost in timeAnother day in paradise
We're not afraid
We don't think twice
Let's put the rest out of our minds
And leave it for another dayAnother day
Another day
Another dayAnother day

Another dayAnother day in paradise
Another dayAnother day in paradise
Where dreams are made
And worlds collide
Another day in paradise
Forever lost in timeAnother day in paradise
We're not afraid
We don't think twice
Let's put the rest out of our minds
And leave it for another day
