Stars and Stripes

Circle Jerks

What they did, past or present
Got us in this situation
Predicament, no where to run
Everybody's building bombsNo more housewives
Days of our lives
Television, Disneyland
Basketball or stars and stripesTheir chairman's on his death bed
Our president's popularity is down
An epileptic called a colonel
Presses a button and it's all knocked downNo more housewives
Days of our lives
Television, Disneyland
Basketball or stars and stripesHa ha ha, you're all gonna die
And you voted for that guyScience, modern technology
Digs your grave
Care of Moscow and DC
Votes you never gaveNo more housewives
Days of our lives
Television, Disneyland
Basketball or stars and stripesOr stars and stripes
Or stars and stripes
Or stars and stripesMy country 'tis of thee
Sweet land of liberty
