

# Stars and Stripes

## Circle Jerks

What they did, past or present  
Got us in this situation  
Predicament, no where to run  
Everybody's building bombs No more housewives  
Days of our lives  
Television, Disneyland  
Basketball or stars and stripes Their chairman's on his death bed  
Our president's popularity is down  
An epileptic called a colonel  
Presses a button and it's all knocked down No more housewives  
Days of our lives  
Television, Disneyland  
Basketball or stars and stripes Ha ha ha, you're all gonna die  
And you voted for that guy Science, modern technology  
Digs your grave  
Care of Moscow and DC  
Votes you never gave No more housewives  
Days of our lives  
Television, Disneyland  
Basketball or stars and stripes Or stars and stripes  
Or stars and stripes  
Or stars and stripes My country 'tis of thee  
Sweet land of liberty
