

Bloodline

Zella Day

What a man to do?
When a woman takes his faith
The evil of the world offers no escape
And the afterworld waits
The trigger of a gun
Is what my life's become
And you may not believe that love is a disease
Until you've seen the things I've done
Bloodline woohoo
Bloodline woohoo
Across the river to the pine
Until your heart is mine
Bloodline woohoo
Bloodline woohoo
Across the river to the pine
Until your heart is mine
I'm in love with dreams
Tortured by the screams
Last breath in my lungs, I can taste it on my tongue
As the wild sparrows sing
Chasing down the sun
Until the dark had come
I'm not afraid to be cause you're the one I need
When all is said and done
Bloodline woohoo
Bloodline woohoo
Across the river to the pine
Until your heart is mine
Bloodline woohoo
Bloodline woohoo
Across the river to the pine
Until your heart is mine
