

# Mothersound (Album Version)

## From First to Last

Mothersound!  
What have they done to you?  
You're withering away, in the cold  
Mothersound!  
Once again the worlds molested you, it took your soul, whole, oh I have done this for the sound  
Have done this for the sake of you  
The sake of me  
And you  
You mark my fucking words  
We are the ones supposed to be  
We're here to rock the rubble Thanks to you  
We get  
Our ace fix from exposing  
What you are  
And what you've done  
You've poisoned the litter No better time than now  
To change what has been written  
And what has been taught  
To those who would not know  
Better Woahhhh I have done this for the sound  
Have done this for the sake of you  
The sake of me  
And you  
You mark my fucking words  
We are the ones supposed to be  
We're here to rock the rubble  
I have done this for the sound  
Have done this for the sake of you  
The sake of me  
And you  
You mark my fucking words  
We are the ones supposed to be  
We're here to rouse the rabble
