

Bottoms Up!

Van Halen

Ow!
I've been sittin' here 'bout half the night
Oh, mama, fill my cup up
Said I came here to waste some time
I think I'm gonna jump up
I'm singin', I'm dancin'
Most every night
And I want to do that with you babe
Let's do this bottle right
Oh, oh, oh baby
Ow!
The bottom's up
Ow!
Whoo!
Pretty maids, all in a row
Go on, set 'em up, up
Come um um um um um, baby
Bottom's up

I'm singin', I'm dancin'
Most every night
And I wanna do that with you babe
Let's do this bottle right
(Ow!)
Ah ha ha ha ha ha ha, whoo!
Alright, ow!
Hey we'll sing a little bit, yeah
Come um um um um um, baby
Bottom's up
Come um um um um um, baby
Bottom's up
Come um um um um um, baby, ooh
Bottom's up, pum pum paah
Come um um um um um, baby
Bottom's up
Ow!
Ooh yeah
