

# I Could Be

## The Naked Brothers Band

I could be anything I wanna be  
I could be anything I wanna be  
Like a bird flying up in the tree  
Like a bee stinging for honey I could be anything I wanna be  
I could be anything I wanna be  
Like a fish swimming in the sea  
Like a copy of someone like me I could be  
I could be  
I could be  
I could be I could be anything I wanna be  
I could be anything I wanna be  
Like a rapper for example Jay-Z  
Like a skateboard prodigy I could be  
I could be  
I could be  
I could be
