

I Am The Virus

Killing Joke

Death, misery and tears
Calculated waves of fear
Drawn up by think tanks
There's a darkness in the West
Oil swilling
Guzzling corporate
Central banking
Mind-fucking Omnipotence I am the fury
The spirit of outrage
I am the fire
I am the virus
I am the virus
I am the furnace
Where resentment glows
I am the bias
I am the virus
I am the virus False flags and blaco ops
Tavistock manufactured shocks
Somethings gone horribly wrong
Hot flushes for the Neo-ConA population
In deep denial
Contagion released
From a phial I am the fury
The spirit of outrage
I am the fire
I am the virus
I am the virus
I am the furnace
Where resentment glows
I am the bias
I am the virus
I am the virus
I am the hydra headed beast
I am the worm you can never delete
I am the dangers that never sleeps
I am the virus
I am the virus
I am the fury
The spirit of outrage

I am the fire
I am the virus
I am the virusNo one believes
In 9/11
Steel framed buildings
Don't fall in seconds
Murderers in black robes
Decapitate innocents
The public's blank stare
Did you sleep ok last night Mr. Blair?I am the fury
The spirit of outrage
I am the fire
I am the virus
I am the virus
I am the furnace
Where resentment glows
I am the bias
I am the virus
I am the virus
I am the hydra headed beast
I am the worm you can never delete
I am the dangers that never sleeps
I am the virus
I am the virus
I am the fury
The spirit of outrage
I am the fire
I am the virus
I am the virusI am the fury
The spirit of outrage
I am the fire
I am the virus
I am the virus
I am the furnace
Where resentment glows
I am the bias
I am the virus
I am the virus
