Get Me Through the Night

Jude Cole

Heaven knows what made my heart go deeper into this love
I have tried to do what's right but I could use just a little help from above
'Cause all I do is dream of her through these lonely, lonely days
And when I rise, I see her eyes and I think
Jesus, Jesus show me the way, yeahWon't you get me through the night?
'Cause I'm not strong enough to win the fight
If loving her ain't right
Just get me through, get me through the night
Before I lose my mindCaroline can see that I've been changing a little more each day
And through the dark I feel a part of me drifting slowly away
'Cause all I do is dream of her through these lonely, lonely days
And when I rise, I see her eyes and I wish
That somebody would show me the wayWon't you get me through the night?
'Cause I'm not strong enough to win the fight
If loving her ain't right
Won't you get me through, get me through the night
Before I lose my mind?Oh yeah
Won't you get me through the night?
'Cause I'm not strong enough to win this fight, no
If loving her ain't right
Won't you get me through, get me through the night?Uh huh, yeah yeah
(Get me, get me, get me through the night, get me, get me)
Well, if loving her ain't right
Won't you get me through, get me through the night?
Uh huh, yeah
(Get me, get me, get me through the night, get me, get me)
Oh yeah
Just get me through, just get me through
(Get me through, through the night)
Uh huh, oh yeah
