

# Get a Grip (On Yourself)

## Prong

Didn't have the money 'round to buy a Morry Thou

    Been around and seen a lot, to shake me anyhow

    Begged and borrowed, sometimes I admit I even stole

The worst crime that I ever did was playin' rock and rollBut the money's no good

    Just get a grip on yourself

    But the money's no good

Just get a grip on yourselfSuffering convictions on a two-way stretch inside

    The air in here is pretty thick, I think I'll go outside

    Committed for insanity and crimes against the soul

The worst crime that I ever did was playin' rock and rollBut the money's no good

    Just get a grip on yourself

    But the money's no good

    Just get a grip on yourself

And you should knowNow I find from week to week, the sentence sticking fast

    Turn the corner, rub my eyes and hope the world will last

    Stranger from another planet, welcome to our hole

Just strap on your guitar and we'll play some rock and rollBut the money's no good

    Just get a grip on yourself

    But the money's no good

    Just get a grip on yourself

    And you should know
