

# Don't Pull Your Love

## The Rudy Schwartz Project

Don't pull your love out on me baby  
If you do then I think that maybe  
I'll just lay me down and cry for a hundred years  
Don't pull your love out on me honey  
Take my heart, my soul, my money  
But don't leave me drownin' in my tears

You say you're gonna leave  
Gonna take that big white bird  
Gonna fly right out of here  
Without a single word  
Don't you know you'll break my heart  
When I watch you close that door  
'Cause I know I won't see you anymore

Don't pull your love out on me baby  
If you do then I think that maybe  
I'll just lay me down and cry for a hundred years  
Don't pull your love out on me honey  
Take my heart, my soul, my money  
But don't leave me drownin' in my tears

Haven't I been good to you  
What about that brand new ring  
Doesn't that mean love to you  
Doesn't that mean anything  
If I threw away my pride  
And I got down on my knees  
Would I have to beg you, "pretty please"

Don't pull your love out on me baby  
If you do then I think that maybe  
I'll just lay me down and cry for a hundred years  
Don't pull your love out on me honey  
Take my heart, my soul, my money  
But don't leave me drownin' in my tears

There's so much I wanna do  
I've got love enough for two

But I'll never use it girl if I don't have you

Don't pull your love out on me baby  
If you do then I think that maybe  
I'll just lay me down and cry for a hundred years  
Don't pull your love out on me honey  
Take my heart, my soul, my money  
But don't leave me drownin' in my tears
