

Rio Grande Blood (Rio Grande Dubya Mix)

Ministry

And now a message from the President of the United States George W. Bush

I've adopted sophisticated terrorist tactics
And I'm a dangerous, dangerous man
With dangerous, dangerous weapons
I want to drain the coal resources in America
And foreign sources of crude oil.
I'm a weapon of mass destruction
And I'm a brutal dictator
And I'm evil[Verse 1]

I've got something that I must confess
I make a profit off people oppressed
I take the money 'til there's nothing left
And all I gotta say is Yippie Aye Yay[Chorus]
Rio Grande BloodI want money
I want yer money
I want crude oil

It's the government's money
I'm an asshole[Verse 2]
I can't remember the world such a mess
Not for the companies I like the best
Exxon and Conoco - fuck all the rest
And all I gotta say is Yippie Aye Yay[Chorus]
Rio Grande BloodI want money
I want yer money
I want crude oil

It's the government's moneyBreakdown
We went to war because of our dependence on foreign oil Haliburton
We went to war because of money
Haliburton

We will settle for nothing less than victory, victory
Haliburton

We will settle for nothing less than crude oil -crude oil[Verse 3]
Squeezing the working class whom I detest
Taxing the poor so the rich can invest
I know I'm an asshole, but aren't you impressed
And all I gotta say is Yippie Aye Yay[Chorus]
