

# One Kiss

Jeanette MacDonald

In this year of Seventeen-Ninety-Two  
Our conventions have been thrown all askew  
And I know I'm out of date when I seek one mate  
One faithful lover true

To be really in the fashion today  
You must have a dozen beaux in your sway  
But somehow I don't believe in the modern plan  
I want to wait for just one man

(It's more fun to love 'em all)  
Kiss 'em all, short and tall)

I have another scheme  
It's my only dream

One kiss, one man to save it for  
One love for him alone  
One word, one vow, and nothing more  
To tell him I'm his own  
One magic night within his arms  
With passion's flower unfurled  
And all my life I'll love only one man  
And no other man in the world

(You've been reading stories of romantic glories)  
(Are you growing sad for your Galahad?)

Soon my Knight may find me  
Softly steal behind me  
Put me on a horse  
And carry me away  
Laugh all you like at me  
I'll find my man, you'll see

One kiss, one man to save it for  
One love for him alone  
One word, one vow, and nothing more  
To tell him I'm his own  
One magic night within his arms

With passion's flower unfurled  
And all my life I'll love only one man  
And no other man in the world
