

# Just Like Her

Tracy Lawrence

Cigarettes are bad for your health  
And smoky bars, I can't help myself  
I've tried to quit but it's a curse  
I love 'em, I hate 'em, I love 'em just like her

Old songs play like memories  
They bring her back right here with me  
They make me smile they make me hurt  
I love 'em, I hate 'em, I love 'em just like her

It's a fine line between love and hate  
A heaven and a heartache  
When it's good it's good, when it's bad it's bad  
She's the best, she's the worst, she's the best I've ever had

It's a fine line between love and hate  
A heaven and a heartache  
When it's good it's good, when it's bad it's bad  
She's the best, she's the worst, she's the best I've ever had

Photographs that we once took  
When she still had that "loving me" look  
I wanna save 'em, I wanna watch 'em burn  
I love 'em, I hate 'em, I love 'em just like her  
Yeah, I love 'em, I hate 'em, I love 'em just like her
