Surprise myself I surprise myself when I look at you
I surprise myself when I see what you do
I can't think of anything better, uh
I can't think of anything wetter, uh You want me to be there
I want you to be here
You want me to be where?
I say, you better beware Feel my urge, moonlight search
On the verge, now submerge
I'm your church, down in the perch
Keep it surge, 'til I burst Feel my urge, moonlight search
On the verge, now submerge
I'm your church, down in the perch
Keep it surge, 'til I burst Ahh, ah, ah
Ahh, ah, ah
Ahh, ah, ah
Ahh, ah, ah Gimme what I want and you're gonna get it back
Gimme what I want and you're gonna get it back
Gimme what I want and you're gonna get it back
Gimme what I want and you're gonna get it back (Come get it back)
(Come get it back)
(Come get it back) At the dawn of a Summer I give birth to a bad girl
Without a motherfuckin' epidural
At the dawn of a Summer I give birth to a bad girl
Without a motherfuckin' epidural
At the dawn of a Summer I give birth to a bad girl
Without a motherfuckin' epidural
At the dawn of a Summer I give birth to a bad girl
Without a motherfuckin' epidural Feel my urge, moonlight search
On the verge, now submerge
I'm your church, down in the perch
Keep it surge, 'til I burst Feel my urge, moonlight search
On the verge, now submerge
I'm your church, down in the perch
Keep it surge, 'til I burst Ahh, ah, ah
Ahh, ah, ah
Ahh, ah, ah
Ahh, ah, ah (Ah, ah)
(Ah, ah)
(Ah, ah)

(Ah, ah) keep on it, keep on it, you own it (ah, ah)
Keep on it, keep on it, you own it (ah, ah)
Keep on it, keep on it, you own it (ah, ah)
Keep on it, keep on it, you own it (ah, ah)At the dawn of a Summer I give birth to a bad girl
Without a motherfuckin' epidural
At the dawn of a Summer I give birth to a bad girl
Without a motherfuckin' epidural
At the dawn of a Summer I give birth to a bad girl
Without a motherfuckin' epiduralAt the dawn of a Summer I give birth to a bad girl
Without a motherfuckin' epidural
To a bad girl, to a bad girl, to a bad girl, to-to a bad girl
To a bad girl, to a bad girl, to a bad girl, to-to a bad girl
To a bad girl, to a bad girl, to a bad girl, to-to a bad girlAt the dawn of a Summer I give birth to a bad girl
Without a motherfuckin' epidural
