Ruby Blue

The Hoosiers

You'd better stop
And try to think
Look what you're doing
Oh Ruby

(You never get to)
Give it all you got
Cause you forgot
To take it to the top
Come on Ruby Blue

(Alright)

Why do you make a start
With no means to go on
It's on the tip of your
Ruby we used to love you truly
You used to make us laugh
It really was a gas
But now you're a bore

One
Two
Three
But now you're a bore
It's you
And them
And me
Look what you do
Oh Ruby Blue

Check this out

Do you get me
D'you get me

Do you get me
D'you get me
D'you get me

You'd better stop
And try to think
Look what you're doing
Oh Ruby
(You never get to)
Give it all you've got
Cause you forgot
To take it to the top
Come on Ruby Blue

(Alight)

Nobody cares anyway
If you play the painted lady

Four and more
Five
And six
Who would have believed
It would come to this
Look what you do
Oh Ruby Blue

You'd better stop
And try to think
Look what you're doing
Oh Ruby
(You never get to)
Give it all you've got
Cause you forgot
To take it to the top
Oh Ruby Blue

One
Two
Three
Look what you're doing
Ah Ruby
(Nobody cares anyway)
It's you
And them
And me

Look what you do
Oh Ruby Blue
