

# Mach 5

## The Presidents Of The United States Of America

[Chorus:]

I will survive in my Mach 5  
In my Mach 5, I will survive  
Yeah, Yeah

[Chorus]

I bring the hammer down  
A tiny crushin' sound  
And I'm in the yard  
Smashing match box cars  
An itty bitty crash  
And my machine is trash  
But I'm blastin' past  
With chickie on the dash  
Chickie on the gas  
Go chickie

[Chorus x 2]

The firecracker blow  
An urge overload  
The wild plastic fire  
Smoke from the tire  
Layin' a little patch  
Without a single scratch  
Between the hammer and the rock I  
Can see bright blue mach 5  
It's my mach 5  
Oh

Oh my goodness  
It's the most beautiful little thing I've ever seen in my life  
It's blue on the outside and all creamy on the interior  
Yeah

I can't bring myself to smash it  
So I take it for a ride on a sunny Summer Sunday afternoon  
I'm riding with the top down  
Riding with the top down  
Riding with the top down

Hell I blew the top right of my car

I will survive in my Mach 5

In my Mach 5, I will...

I will survive in my Mach 5

In my Mach 5

Yeah, I want to go

I want to go

I want to go

I want to go
