

I Care

Roy Orbison

I don't believe you when you say there's nothing wrong
And you can't hide the tears in your eyes from me
Don't you know we've been together much too long
Please don't hide it, oh baby can't you see

CHORUS

That i care, Yes i care, And i swear i do, Oh i do, oh i do
I really do love you, Oh i care, Yes i care, And i swear i do
Oh i do, Yes i do, I really do want you
Would it matter if i told you i was sorry

For all the little things i didn't do for you
And if you ever left me girl don't you know i'd worry
You know all i ever wanted was you
And i care, Yes i care, And i swear i do, And i do, oh i do
I really do love you, Oh i care, Yes i care, And i swear i do
Oh i do, Yes i do, I really do want you

BRIDGE

Oh i want you to want me too
Just to love me just to love me

CHORUS
