

More Faithful

Skillet

All the things, my feet thought to be firm
Are falling with urgency
And tearing back my false sense of security
Some say, things change nothing stays the same
But the sweetness in my ears
Safe in your arms speak the words I love to hear
You have been more faithful than the morning sun
You have been more faithful than knowing the night will come
You have been more faithful than the changing of seasons
All things I thought that I used to know
Are falling down again
Our disillusionment is how we grow
Some say, things change nothing stays the same
In a world of inconsistency when every thing's a lie
What can cause my heart to believe
You have been more faithful than the morning sun
You have been more faithful than knowing the night will come
You have been more faithful than the changing of seasons
You have been more faithful than the morning sun
You have been more faithful than knowing the night will come
You have been more faithful than the changing of seasons
You have been more faithful than the morning sun
You have been more faithful than knowing the night will come
You have been more faithful than the changing of seasons
