

# The One (Demo)

## Soil

How long have I been standing here my friend  
Has it been so long  
I've been spreading myself so thin  
And I've been so wrong I want to be the one you run to  
And I want to be your only one  
I want to be the one you turn to  
And I want to be the one Why did all the good times turn to sin  
And has it been so long  
I've been standing here in my footprints  
And I am so wrong You shine on me all the good times with you  
Where all the smiles belong  
You trust in me to save the last tear for you  
Cause I've been so wrong Hey now its been so long  
Hey hey won't you believe in me  
Hey now I've come so far  
How now won't you believe in me Frustrations  
My aberrance  
My time  
In my life  
I can't be what you see in me  
I can't be
