

Under Control

Calvin Harris

I might be anyone
A lone fool out in the sun
Your heartbeat of solid gold
I love you, you'll never know When the daylight comes you feel so cold,
You know
I'm too afraid of my heart to let you go Waiting for the fire to light
Feeling like we could do right
Be the one that makes tonight
'Cause freedom is a lonely road
We're under control We're under control I might be anyone
A lone fool out in the sun
Your heartbeat of solid gold
I love you, you'll never know When the daylight comes you feel so cold,
You know
I'm too afraid of my heart to let you go Waiting for the fire to light
Feeling like we could do right
Be the one that makes tonight
'Cause freedom is a lonely road
We're under control Waiting for the fire to light
Feeling like we could do right
Be the one that makes tonight
'Cause freedom is a lonely road
We're under control We're under control
