

King of the Mountain

Bon Jovi

Listen people can't you hear the voices that are crying out
There's a hunger burning in the heart of their souls
Maybe now that I got you let me tell you what I'm talking 'bout
Stand up and shout tonight we'll lose controlI been down and mistreated
Now we're standing undefeatedChrous:
I'm the king of the mountain
I'm the king of the hill
I'm the king of the mountain
I'm the king of the hill
You spend your life working 9 to 5 it's like doing time
Boss man says "Hey boy, you'll never be no good"
With the night there's a magic in the air that makes us come alive
Tonight's the night they can't put you down, no one couldI been down and mistreated
Now we're standing undefeatedChorusListen people can't you hear the voices that are crying out.
There's a hunger burning in the heart of their souls.
Maybe now that I got you let me tell you what I'm talking 'bout
Stand up and shout tonight we'll lose control
I been down and mistreated
We won't be cheated
Now we're standing undefeated...Chrous
