My Story

Stellar Road

standing on this yellow road
the white of me bleeds into the trees
iâ€™m on purpose and i believe
the things that i see are inside of me
this is my story

standing on this bluest sky
i am king for a day maybe more
but iâ€™m so relentless
i see through the dream
that youâ€™ve built up for me
this is my story

all this is going down
with nothing there but silence and sound
but iâ€™m not going to let it get me down
iâ€™m not going to let it take me away
because there is something inside of me
that makes it all go away

standing on this cornerstone
i can see over the sea
but itâ€™s so imperfect
this world that we live
i guess itâ€™s all that we give
this is my story
