

Too Close (Nadastrom Remix)

[Alex Clare](#)

You know I'm not one to break promises
I don't want to hurt you but I need to breathe
At the end of it all you're still my best friend
But there's something inside that I need to release
Which way is right?
Which way is wrong?
How do I say that I need to move on?
You know we're heading separate ways And it feels like I am just too close to love you
There's nothing I can really say
I can lie no more
I can hide no more
Got to be true to myself
And it feels like I am just too close to love you
So I'll be on my way You've given me more than I can return
Yet there's oh so much you deserve
Nothing to say
Nothing to do
I've nothing to give
I must live without you
You know we're heading separate ways And it feels like I am just too close to love you
There's nothing I can really say
I can lie no more
I can hide no more
Got to be true to myself
And it feels like I am just too close to love you
So I'll be on my way
So I'll be on my way
