A Mirror

Quilt

If I need a mirror
To tell me you are there
Wrap it up in smoke and keep it if you careIf I need a window
Open for a view
Let the sunlight in and the sun lights youI will rely on (you and)
Trying everything I know to hold you closely
I will rely on (you and)
Make amends with everything that will be
If we're pushing time
Too hard for comfort dear
I'll hold your smoke inside my heart
After the glass has burst apartAnd if I find a mirror
Or hole behind the pipes
I'll jump into what we are after
And turn until we finish the chapterI will rely on (you and)
Trying everything to keep it free and easy
I will rely on (you and)
Make amends with everything that will be
Restless and reeling
Dive in like a swallow from the ceilingIf I need a mirror
To tell me you are there
Wrap it up in smoke and keep it if you care
