Play It Safe

Lakeview

Say, "Ta"
Ta ta taEisenhower saw the thing
He said "This is sickening"
I swear I saw the very thing
I saw it in AmericaLet's play safe
I never knew how
How to play safe?
You told me how
How to play safe?
A thousand times
I don't believe in fairies
Any moreToday I saw a very, very thing
But that's another song
You're too simple minded
Let's play it safeWhat do we have in common?
Play it safe
What do we have in common?
Play it safeI want to be a criminal
Play it safe
I want to be a criminal
Play it safeWhat do we have in common?
Play it safe
What do we have in common?
Play it safeI want to be a criminal
Play it safe
I want to be a criminal
Play it safeWhat do we have in common?
Play it safe
What do we have in common?
Play it safeI want to be a criminal
Play it safe
