Slave

Lola Ray

All my friends wanna meet you darling
Please stay away, away now
Bite my tongue
As you're pushing me to the ground
Can't stay away, away, away now
Ten days ago we fell asleep in bed ba bada bada ba bada
Today I woke up and everything was dead ba bada bada ba bada
She said "Hi, what's your name?
I like the coat you're wearing."
I said, "Hi I'm your slave.
It's what I do all day."
She said, "great by the way,
I wanna put you on a shelf.
I'm alive to obey
I don't know anything else."
Hold my hand through the thick and thicker
Go away, away, away now
Can't let go
Even if you can go away, away now
Ten days ago we fell asleep in bed ba bada bada ba bada

Today I woke up and everything was dead ba bada bada ba bada
She said "Hi, what's your name?
I like the coat you're wearing."
I said, "Hi I'm your slave.
It's what I do all day."
She said, "great by the way,
I wanna put you on a shelf.
I'm alive to obey
I don't know anything else."
I change my mind
I'm sick of always waiting to see what I am worth to you my love
Don't waste my time with all these bedroom lies
She said "Hi, what's your name?
I like the coat you're wearing."
I said, "Hi I'm your slave.
It's what I do all day."
She said, "great by the way,
I wanna put you on a shelf.

I'm alive to obey
I don't know anything else."
