

# P.Y.T.

## Noel Gourdin

You see, your the one precious young thing that I know  
When I see you naked I feel like I'm at a show  
You touch all the right things to make it grow  
When another shorty call, I quickly tell 'em no  
Whenever you call I got to be there  
Your the beset I confess I don't wanna share  
Your my precious young thing  
Your my lovely P.Y.T.

[Chorus]

Your my P.Y.T.

Girl your my precious young thing  
Don't you know that you deserve me girl  
Your my only precious young thing

Now lucky could a young fellow be  
To matchbox with some one as fine as she  
You can bet that them other cats were lying  
So glad god picked the number that was mine  
But I'ma do everything that rights,  
Except making love in strange places and parks at night  
Your my precious young thing

[Chorus]

Sometimes when I leave you baby no  
I think about how I wanna get back home and see you  
How I cherish, I cherish your love  
And how you give it to me

[Chorus]

Your my P.Y.T. [Repeat: x3]

You make me wanna tell my friends that your my  
Precious young thing  
I could not afford to leave you  
Girl your my precious young thing  
I swear ill tell the world about you  
Build my world around you precious young thing

I swear ill tell the world about you  
Build my world around you precious young thing

[Chorus]
