Girl I Think The World About You

Commodores

Sweet little woman, can't you see?
That you're the only one for me (one for me)
You make me feel good, so good inside
Stay by me, woman, for the rest of my life
And as I think of you more every day
There's only one thing, girl, I can sayAnd that's, girl, I think the world about you, whoo
Always thinkin' of you
Oh, girl, I think the world about you
I'm always thinkin' of youYeah
So many wonders in your world, it seems (world, it seems)
You're the picture of a woman, a little girl's dream (wanna dream)
You seem so weak sometimes to be so strong
You make a man like me find a need to belong
No words can say how much I need you so
But oh, my love, I want the world to knowGirl, I think the world about you
I'm always thinkin' of you
Oh, girl, I think the world about you
I'm always thinkin' of you, oohOohThere's no words to say how much I need you so
But oh, sweet girl, I want the world to knowGirl, I think the world about you, whoo
I'm always thinkin' of you
Oh, girl, I think the world about you
Yeah, yeah, girlThinking about you, my baby, my baby, yeah
Thinking about you, my baby, my baby, yeah
Thinking about you, my baby, my baby, yeah
Thinking about you, my baby, my baby, yeah
Na-na-na-na-na-na, girl
Na-na-na-na-na-na, girl
Girl, I think the world about you, I really do love you
I really do need you
I really do love you
I really do need you
I really do love you
I really do need you
Really do, really do, really do, really do
Really do, really do, really do, really do love you
