

# Anywhere But Here

## The Softies

too shallow to see  
the damage is already done  
you can no longer count on  
anyone there's never enough time  
to make it all disappear  
you'd follow me anywhere but here two weeks and six days  
and seven hours late  
practicing saying goodbye  
while I wait  
there's never enough time  
to make it all disappear  
you'd follow me anywhere but here
