My Little Girl

Jeff Healey

Listen here!
I want to tell you bout this baby of mine
Just in a few words, brother, she is so fine
She's my darling girl,
And I wouldn't change her for the worldWell, I've never been in love like I am with-a my little girl
She gives me all the love I want and more
She's everything that I've been looking for
She's my angel baby,
And I wouldn't change her for the world, nowOh, I never been in love like I am with-a my little girl
Hey, now, she's the cutest thing that I've ever seen,
And when you see her you'll know just what I mean
She's my baby doll girl and I wouldn't change her for the world
Well, I've never been in love like I am with-a my little girlNow, there's just only one thing that I have to say
I'm gonna love her for the rest of my days,
'Cause she's my darling girl
And I wouldn't change her for the world
