Nelly

Move that body
Work that body girl
Twist that body
Shake it shawty Move that body
Work that body girl twist that body
Twist that body
Shake it shawty Hey, all my bad bitches stand up
See you by the bar gon' put your hands up
See you got a boyfriend shawty and what?
Ass so big barely pull your pants up
Well I got some for that, Rose put that
Hands in the air put your booty where the flow at
You should know that
Anywhere Moe' at
Pause for the picture shorty we could take a Kodak
Cause you got some mean on
I like you painted them jeans on
And then your whole click bad and you team strong
I know your ex want you back tell 'em dream on, gon' Shawty wanna show me how that body gon' work
I like all that seduction
She gotta lil' closer over and over
Shakin' that butt'in
I got sucked in'
I gotta show her whats up then
But if she wanna rock with a player
She gonna have to follow my instructions
Like Move that body
