

Strictly Rule

Vetiver

Ouu, you make me, ouu, you make me
Ouu, you make me though I can't say how or why
My will was a burden 'till I learned to let it lie
Ouu, you make me act the way I do
No choice just your tone of voice
It seems to want me to
Ouu, you make me tensed up inside
Once chased now this bitter taste
As I swallow my pride
Oh, I can't see any other way
It's cruel, still I trust that you'll strictly rule
Come one day
Ouu, you make me, ouu, you make me
Ouu, you make me, ouu, you make me
Ouu, you make me, ouu, you make me
Ouu, you make me, ouu, you make me
