

# Heathens (First to Eleven Full Band Rock Cover)

## Twenty One Pilots

All my friends are heathens, take it slow  
Wait for them to ask you who you know  
Please don't make any sudden moves  
You don't know the half of the abuse  
All my friends are heathens, take it slow  
Wait for them to ask you who you know  
Please don't make any sudden moves  
You don't know the half of the abuse Welcome to the room of people  
Who have rooms of people that they loved one day  
Docked away  
Just because we check the guns at the door  
Doesn't mean our brains will change from hand grenades  
You're lovin' on the psychopath sitting next to you  
You're lovin' on the murderer sitting next to you  
You'll think, "How'd I get here, sitting next to you?"  
But after all I've said, please don't forget All my friends are heathens, take it slow  
Wait for them to ask you who you know  
Please don't make any sudden moves  
You don't know the half of the abuse We don't deal with outsiders very well  
They say newcomers have a certain smell  
Yeah, I trust issues, not to mention  
They say they can smell your intentions  
You're lovin' on the freakshow sitting next to you  
You'll have some weird people sitting next to you  
You'll think "How did I get here, sitting next to you?"  
But after all I've said, please don't forget  
(Watch it, watch it) All my friends are heathens, take it slow  
Wait for them to ask you who you know  
Please don't make any sudden moves  
You don't know the half of the abuse All my friends are heathens, take it slow  
(Watch it)  
Wait for them to ask you who you know  
(Watch it)  
All my friends are heathens, take it slow  
(Watch it)  
Wait for them to ask you who you know  
(Watch it) Why'd you come, you knew you should have stayed  
(It's blasphemy)  
I tried to warn you just to stay away

And now they're outside ready to bust  
It looks like you might be one of us
