

Badillac

together PANGEA

I pick you up and we ride
to the end of the earth
We can give it a try
but it'll never work Oh no, I lied
Oh no, you cried
Oh no, you lied
Oh no, I tried Badillac. Badillac. Badillac. Badillac Well I hate myself
and I hate the earth
We could give it a try
for whatever it's worth Oh no, I lied
Oh no, you cried
Oh no, you lied
Oh no, I tried Badillac. Badillac. Badillac. Badillac
