Never Let You Go

Ideal

I won't let you go
No, I won't let you go
I won't, I won't let you go
No, no, noAnd you mean so very much to me
I once was blind, I could not see
Your love has turned me all around
The perfect girl is what I found, yeahYou are the perfect one for me
Our love has just begun, you'll see
I'll always be around
You're all I need, girl, I love you soGirl, I love you so
And I'll never let you go
Girl, I love you
And I'll never let you goI'll never let you go
I'll never let you goI can't forget the day you came
And now my life is not the same
I treasure all the time we spend
I know our love will never endYou are the perfect one for me
Our love has just begun, you'll see
I'll always be around
You're all I need, girl, I love you soGirl, I love you so
And I'll never let you go
Girl, I love you
And I'll never let you goNo, I won't let you go
No, no, no, noI'll never let you go
I'll never let you go
I'll never let you goYou are the perfect one for me
Our love has just begun, you'll see
I'll always be around
You're all I need, girl, I love you soGirl, I love you so
And I'll never let you go
Girl, I love you so
And I'll never let you goGirl, I love you so
And I'll never let you go
Girl, I love you so
And I'll never let you goGirl, I love you so
And I'll never let you go
Girl, I love you so
And I'll never let you go
