

# Always Be My Baby (Mr. Dupri mix)

[Mariah Carey](#)

I got one for the money  
I got two for the bass, yeah  
I got three to get you goin' baby  
'Cause Da Brat's in da place  
And it don't stop and it don't quit  
Yeah, like that and it don't quit like that Do do doop  
Do do doop do doop da  
Do do doop da  
Do do doop do doop da We were as one babe  
For a moment in time  
And it seemed everlasting  
That you would always be mine Now you want to be free  
So I'm letting you fly  
'Cause I know in my heart babe  
Our love will never die, no You'll always be a part of me  
I'm a part of you indefinitely  
Boy, don't you know you can't escape me  
Ooh darling, 'cause you'll always be my baby And we'll linger on  
Time can't erase a feeling this strong  
No way you're never gonna shake me  
Ooh darling, 'cause you'll always be my baby Do do doop  
Do do doop do doop da  
Do do doop da  
Do do doop do doop da I ain't gonna cry, no  
And I won't beg you to stay  
If you're determined to leave boy  
I will not stand in your way But inevitably  
You'll be back again  
'Cause you know in your heart babe  
Our love will never end, no no You'll always be a part of me  
I'm part of you indefinitely  
Boy don't you know you can't escape me  
Ooh darling, 'cause you'll always be my baby And we'll linger on and on  
Time can't erase a feeling this strong  
No way you're never gonna shake me  
Ooh darling, 'cause you'll always be my baby I know that you'll be back boy  
When your days and your nights get a little bit colder  
I know that, you'll be right back, baby  
Oh baby, believe me it's only a matter of time Who brings the ruckus and the pain like ness

It's evident tha residents of so, so deaf  
Got the industry on lock where outsiders can't enter  
Ever since the arrival of this west side representer  
Who rocks your music box and break down your structure  
You fantasize as you visualize me as your dream lover  
With your emotions unplugging your daydream face reality  
Reason through M.C.'s inflicting fatalities Ain't no cap on my salary, I'm gettin' G's  
If you heard of me's then you know that we's makin' G's  
Let's Xscape with Mariah Carey and me to tha back  
Steady stacking papers smokin' on fat stacks of danks see  
To some I'm a hero of this feel on file but that's my style  
And they don't pay me nor can they fade me  
So what I do is keep it true and real for my peeps in that street  
'Cause to them I'ma always be their baby May we always be together  
In this sands of time Do do doop  
Do do doop do doop da  
Do do doop da  
Do do doop do doop da You'll always be apart of me  
I'm part of you indefinitely  
Boy don't you know you can't escape me  
Ooh darling, 'cause you'll always be my baby And we'll linger on  
Time can't erase a feeling this strong  
No way you're never gonna shake me  
Ooh darling, 'cause you'll always be my baby You and I will always be  
No way your never gonna shake me  
No way your never gonna shake me  
You and I will always be  
No matter what you do baby  
Get on [Incomprehensible]
