Wasting My Time

Castero

I've waited, I'm lonely
You faded, I'm jaded
Trying to hold on to
The things that were once mine
There's too much time
Wasting my time
My mind goes blank
I can't think of nothing but you
I've waited, I'm lonely
You faded, I'm jaded
There's too much time
Wasting my time
When it seems we're miles away
When will I see you again?
When it seems that I don't wanna stay
When will I see you again?
And are you thinking about me
Or do you want to be free?
Just tell me and I will
Let you go
There's too much time
Wasting my time
When it seems we're miles away
When will I see you again?
When it seems that I don't wanna stay
When will I see you again?
There's too much time
I'm in a fucked state of mind
There's too much time
I'm in a fucked state of mind
When it seems we're miles away
When will I see you again?
When it seems that I don't wanna stay
When will I see you again?
When will I see you again?
When will I see you again?
