

I Rock, Therefore I Am

Prince

Uh huh, NPG to the maximum
All the time world wide
96 sound better, legendary tune I rock, therefore I am
I don't need you to tell me I'm in the band
I rock, therefore I am
Right or wrong, I sing my song the best I can I don't need you to tell me what clothes to wear
I don't want suggestions about my hair
If the whole world buys your bullshit, I don't care
I'd rather put on something that you won't dare I rock, therefore I am
I don't need you to tell me I'm in the band
I rock Legendary to the maximum
NPG for now and forever Welcome to mendacity, sign your name
See the world so pretty, wealth and fame
They can put you on the field
But you won't get in the game
How many suckers knew that before they came
Now you know I rock, therefore I am
I don't need you to tell me I'm in the band
I rock, therefore I am
Right or wrong. I sing my song the best I can
Therefore I am All you mean to NPG to the maximum
Want you to understand somethin' asta Come me say, love, me say unto another
Watcha them attack each and every vulture
Or do you wants forget that P-R-O starts via pro
Teachin' things in life you'll never know What for they dabble they don't understandsa
They caught me comin' from the other Minnesota
My flava will burn their earsa
Awhen it comes to music this sir is no stranger Is the same kids you compliment
The same ones that you were meant
To rob an education from
In a private school as opposed to one That yearly spits out another group of fools
Into a system designed to fail
Wait a minute, I just got some e-mail
Somebody selling twelve CDs for a dollar
Make me wanna holler
Alright to the maximum I don't need you to tell me what clothes to wear
I don't want suggestions about my hair
If the whole world buys your bullshit I don't f'in care
I'd rather put on something that world wouldn't dare 'cause I rock, therefore I am

I don't need you to tell me I'm in the band
I rock, therefore I am
Right or wrong, I sing my song the best I can I rock, therefore I am
I don't need you to tell me, I'm in the band
I rock, therefore I am
Right or wrong I sing my song the best I can
Clap your hands All I mean original for years, mon
NPG natural, yes
All I mean sho man
Rock, rock, rock, I rock Come follow me, come follow me
Come follow me, come follow
H'here we come follow me, come follow me
Come follow me, come follow Here we come follow me
Come follow me, come follow me, come follow
H'here we come follow me, come follow me
Come follow me, come follow H'here we come follow me, come follow me
Come follow me, come follow
H'here we come follow me, come follow me
Come follow me
Watch out mon, gangsta
NPG in the original pro nation
Hear me though Yeah, make some noise if you're ready, NPG rocks the city
Rugged and raw lift up your bra, show me your titties
Don't be a dumb, son, grab your condoms and Bacardi
Here's car keys, let's party You fake players walkin' streets in mean mug
I be makin' records gettin' in the hot tub
In this Minneapolis snow I'm fellin'
Ready set to blow up like Mt. Saint Helen On your cord snorin' your flow borin'
Sort of like channel 5 at 4 in the mornin'
Adult [Incomprehensible] give up hope
Grab the Devil by the throat, make him play the scapegoat In the runnin' with the bucket of cuttin's
Wishin' I had duckets to live like Kirby Puckett
Here comes the rumors I'm down with NPG
I sign the contract, I'm doing the LP But woe, what a minute bro' go slow
Ten dollars for the blow, no dollars for the ho'
In the club trick holdin'
Lookin' for a black magic woman
Gang strong with dick holdin' I rock, therefore I am
(Rock, rock, rock, rock, rock, rock, rock)
I rock, therefore I am
(Rock, rock, rock, rock, rock, rock, rock) I rock, therefore I am
(Rock, rock, rock, rock, rock, rock, rock)
I rock, therefore I am
(Rock, rock, rock, rock, rock, rock, rock) I rock, therefore I am
I rock, therefore I am

I rock, therefore I am
I rock, therefore I am, yeahRock, rock, rock
Rock, rock, rock
Rock, rock, rock
...
