## We Have Band

We wanna know  
We wanna know  
We wanna know  
What it's all about

We wanna know

What it's all about  
We wanna know  
Know now

We wanna know

What it's all about  
Does it all add up?

When we're out of love

And you're done talking

And I'm done talking

And you're done talking

And I'm done talking

Will we find something?

Will we find something?

We wanna know
