Remember

Toyah

(Words Willcox / Music Bogen/Darlow)
Everything and Everyone
Everything and Everyone I have ever loved
Has been taken from me
And I'm not taking it anymore
Can someone save me
>From walking out the door
Someone grab my arm
Before I do what I regretted before
Remember the past
Remember our song
Remember when the days were so long
Remember our vow
We'll never die
Remember we prayed to the mountains high
But can you save us
We're winning if you try
Let's forget our pasts
Just look to the sky
I can see the crime
I was ripped and torn
I've been on this journey many times before
Many times before
I've been ripped apart
Remember the past
Remember our song
Remember when the days were so long
Remember our vow
We'll never die
Remember we prayed to the mountains high
Remember
Remember
No one gets out of here alive
Remember the past
Remember our song
Remember when the days were so long
Remember our vow
We'll never die
Remember we prayed to the mountains high

Remember
Remember
Remember
No one gets out of here alive
Remember
Remember
Remember
No one gets out of here alive
