No Other Way

Insted

If the world could only come to peace everyone's mind would be at ease.
But that's not the way it is right now.
Everyone does what they please.
If people could only compromise.
Just come to simple demands.
The world would be a better place.
A better place throughout the lands.
Together we can create a whole.
This feeling comes from my soul.
Intact these thoughts will stay.
I've known no other way.
What's this world coming to?
Power is what they are looking for.
Does it really matter to you?
Maybe they'll stop when there's no more
