

# Don't You Know (Remastered)

Ray Charles

Woo, well, don't you know, baby?  
Child, don't you know, baby?  
Oww, don't you know, baby?  
Little girl, little girl, don't you know?  
Please, listen to me, baby  
Girl, I'm in love with you so Turn your lamp down low  
I said, turn your lamp down low  
Woo, turn it down  
Please, turn your lamp down low  
Come on, baby  
Girl, I'm in love with you so Now, I know I've been away  
For such a long time  
But now, baby I can't get you off of my mind, so come on Please, baby, come on  
Come on, come on  
Love your daddy all night long Now, if you love me  
Like I love you  
We can do all the things that we  
Used to do, so come on Ow, baby, come on  
Please, baby, come on  
Love your daddy all night long Say, have you heard, baby?  
Ray Charles is in town  
Let's mess around 'till the midnight hour  
See what he's puttin' down, come on Please, baby, come on, child  
Oh, lord, baby  
Come on, all night long Turn your lamp down low  
'Cause I love you so  
Baby, please, come on  
Love your daddy all night long  
You hear me talkin', baby  
Baby, please, come on
