

Non dimenticar

æ—©å•ã•^ã•¿

Non Dimenticar means don't forget your heart my darling

Don't forget to be all you mean to meNon Dimenticar my love is like a star my darling

Shining bright and clear

Just because you're herePlease do not forget that our lips have met

And I held you tight dear

Was it dreams ago

My heart felt this glow only just tonight dearNon Dimenticar although you travel far my darling

It's my heart you'll own so I'll wait alone

Non Dimenticar

Non Dimenticar although you travel far my darling It's my heart you'll own so I'll wait alone Non Dimenticar
